Customer Reviews

I bought this book for my three-year-old daughter who loves stories before going to bed. I like to read to her in Spanish so she can learn a second language. She is able to understand the story and answer all my questions. The book has big colorful images and is very easy to read. I highly recommend this book.

My kids love this book for bedtime; holds the attention of a 2- and 4-year-old. Spanish-speaking husband hasn't even made any corrections! I like that it is written in the present tense, as opposed

to past tense like the other Peppa book we have.

I love this book! My preschooler enjoyed it very much as well. In our bilingual household we love to hear the kids read the book aloud, practicing their Spanish skills.

Sweet story and cute illustrations! We are teaching Spanish to our four year old son and he loves the Peppa Spanish books.

My 2 yr old daughter loves it! She asks me to read it over and over again. The length is just right.

Awesome and in great condition! Excellent for those children that speak NO English.

my four year old love this book very much
