Customer Reviews

I buy this almost every year as a Christmas present for a particular friend. This year it seemed to have several repeat images, so I gave it to a different friend. Motawi, please refresh your image choices more thoroughly.

same wonderful tile reproductions; check the description way down in the page before you click; this one is only 7x7 inches vs. the bigger (~12x12").

Note: This is not a wall calendar, it's about half that size. Gorgeous tiles and my BIL still liked it, but I thought I was buying a wall calendar.

Very pretty. Perfect size for my refrigerator. I've gotten this every year for the past three years and it's always very nice.

Beautiful assortment of arts and crafts pictures in a smaller calendar. It works very well in my office!
