Customer Reviews

I love everything *Heart and Brain*, so buying this calendar was no brainer. (No pun intended....well, a LITTLE pun intended). The artwork is crisp and clear and wonderful and funny, the paper quality is excellent and stiff enough to handle use as a calendar. The font used for the dates and holiday info is fun and different, but still clear and easy to read. It's an amazing calendar from an amazing artist and I'm more than happy to show my support with my purchase.

Heart & Brain have been making everyone in my office laugh for months now, but my newest acquisition has become the easiest way to spread the joy...This calendar has a starring placement on my wall next to my desk, and I have the pleasure of seeing people smile and laugh out loud when they see it. If they can leave my office happier for more than just my own 'holding-up-the-sky' professionalism and genius it's worth every cent. The sturdy quality of it is amazing and *Heart* is so cute!! The only things I would include are just a few more Batman images in your next one...

. Got one for each of my daughters as they are big Heart and Brain fans. Must say I like Heart also!
Thanks for making a calendar.

I love this comic/artist but when I got the calendar it was sealed which was great, and when I opened it the top left corner of it was warped through as if something had spilled and then let to dry before packaged. How disappointing. Luckily it doesn't affect the comics.

Very cute! This keep me entertained all year.
