Customer Reviews

I have been enjoying the 2016 calendar so much that I jumped for joy when this one arrived the other day. Something different everyday, will it be a puzzle, a recipe, a fun fact? The illustrations are cute and clever and the ideas within are funny and unlike any other calendar I've had. Will be the perfect gift for family and friends this year and I'm already looking forward to January 1, 2017.

If you are planning to buy a different every day page-a-day calendar then this is the one to buy.If you are not to planning to purchase a different every day page-a-day calendar then you should really reconsider your life choices.

I have last year's and we like it so much, I bought 4 this year to give as gifts!

Amazing calendar! So witty, funny, and has great graphics! Highly recommended.
