You Wouldn't Want To Be A Ninja Warrior!: A Secret Job That's Your Destiny

Synopsis

In the mid-16th century, rival warlords are fighting for control of Japan. They need the services of the "shadow warriors" young men and women who have been trained in the techniques of stealth warfare. It's not just a question of learning to fight a ninja must know how to move without being seen, how to endure boredom and exhaustion, and how to work as part of a team. Do you have the discipline to become one of them?

Customer Reviews

My boys, ages 7 and 10 , love these books. There is a ton of information in the books about true events. They can be a bit detailed with the fighting and killing so if you are not ready to expose your kids to this than wait on these books.

These books make for intersting reading for everyone.

good.
