Customer Reviews

This product was purchased as an award for youth that competed in a horse show. The ages of the recipients ranged from 8-18. From all reports that we have received, youth and parents alike loved this book!

I got this book for my nine year old daughter. She really loves it! There are lots of interesting facts and challenging games and puzzles. It seems to be the perfect amount of difficulty for her without her getting bored or frustrated. I highly recommend it.

I have used this book for "homework" exercises for a horsemanship class for 8-12 year olds and it

has far exceeded my expectations...it is adorably illustrated, and has a huge variety of puzzles covering topics of breed, horse care, riding disciplines, tack, etc. LOVE this--I never write reviews but had to on this one!

This book is fun, challenging and correct. My 7 year old is enjoying it very much.

Bought for youngsters who are now learning as much as I am about horses and gear, etc., etc.
Great way to learn -- while having fun!

This is a very entertaining fun book for horse lovers. Has lots of activities and quite a variety as well.
Was very impressed with this item.

My 10-year-old rides on a regular basis but when she saw this, everything stopped. It took precedent over all else going on around her. THAT says something! She quite liked it so I'd assume that's a hoof up for this book.

Purchased this for my 9 year old Niece - she has an upcoming tonsil surgery and I know this will keep her entertained while she recovers. She loves horses and flipping through this book there is a ton of activities. I also like the fact it is a bit larger/over-sized book - can't get lost as easy as a small book! ;)
