Aaron Is A Good Sport (Step Into Reading)

Synopsis

P. D. Eastman's classic character Aaron the Alligator makes his early-reader debut! Aaron can get into trouble doing just about anything—playing ball, planting seeds . . . even walking! Kids will giggle along as they tackle the simple words and sentences all on their own. Aaron is a star of The Cat in the Hat Beginner Book Dictionary and a long-out-of-print series called Everything Happens to Aaron. The Step 1 Readers feature big type and easy words for children who know the alphabet and are eager to begin reading. Rhyme and rhythmic text paired with picture clues help children decode the story.

Customer Reviews

Aaron is an adorable crocodile. Aaron takes kids on an adorable journey. Starting with some basic action words and short sentences and ending off with a few sport game idea. This book is just so amazing. First of all if you first teach the kids about action words or verbs, this book becomes alive and the kids can enjoy hunting for the action words. Another plus is that it relates to kids. Kids need to be more active. The more they read, hopefully the more active they will become. Sometimes kids need ideas to get them motivated. This book is an easy reader and is so much fun for kids.

PD Eastman - the best. Enough said!! the kids LOVE Aaron, and his books are easy to read but

intelligently thought out to keep their interest.

I saw this book in my local library when my son Aaron just began to walk:) So I bought this one for his little library.

Nothing better than a P.D.Eastman book.
