Missy Franklin: Swimming Sensation: Y Not Girl Volume 3

Synopsis

The world fell in love with U.S. swimmer Missy Franklin at the 2012 London Olympics. Winning four gold medals and one bronze, the 17-year-old gained fans for her amazing athletic skills, remarkable sportsmanship and a genuinely warm personality. Referring to the water as her second home, the beloved athlete began swimming recreationally at just two months of age. By the age of seven, the youngster seemed destined for stardom, dominating local swim meets with her textbook stroke techniques and lightning-quick speed. By the time she reached high school, the teenager was a world and Olympic champion, all the while remaining a kid who simply loves to swim. A children's biography, Missy Franklin: Swimming Sensation narrates the Colorado native's transformation from a talented toddler to queen of the pool. Who says nice girls finish last? Missy is swimming's biggest female star!

Customer Reviews

Missy is my idol and I were enjoyed reading the book. I hope to be just like Missy Franklin. The book also had a lot of information that is good for people doing a book report on. And keep swimming and never give up on your dreams just like Missy Franklin

My swimmer has been waiting patiently (!) for a Missy Franklin biography! It's about a 3rd-4th grade reading level. Fabulous!

This book is pretty much an unauthorized bio of stuff anyone could pull together from articles

already published BUT... it was perfect for my 4th grader to read for her book of the month and bio report!

This was just so helpful with my book report. And if Missy is your idol you will love this book.

It was a good book Book was without blemish. I was disappointed that it was such a small content but I luckily had purchased another book to go with it so the gift was not a total loss. I will definitely use seller again. Delivery was prompt considering the holidays was upon us.

Perfect inspirational book for every swimmer girl. We even did our 6th grade project on Missy using this book as the go to info book. Not too thick and a great read for a middle schooler

If you like swimming this is the book for you!:) I hope you like the book as much as I did! Missy is very inspiring!:) :) :) :) :) :)

I bought this for my 12-year old's birthday and she read it all at once and loved it!
