Wowâ “another wonderful book to review for you today! I recently received Our Presidents Rock! by Juliette Turner. She is the National Youth Director of Consituting America. Her mother Janine Turner is the Founder and Co-Chair of Constituting America (and an actress).Our Presidents Rock! is for kids and is all about the U.S. Presidents. Itâ™s a paperback book 316 pages long and jammed packed full of important and fun information about each of our American Presidents.The

book begins with an Introduction page which gives an inspiring explanation of how anyone can become President. Next it explains how to read the book (like I explain below), and a couple of pages explaining the role of President as given by the U.S. Constitution. (They also have a book called Our Constitution Rocks! that I have to check out.) Each president has several pages devoted to him. You will find the same subheadings for each one: The Bottom Line – A couple of sentences about his presidency What Were They Thinking? – Some of his views about major issues Why Should I Care? – Why you should learn about and understand this particular president's policies Breakin' it Down – His life prior to becoming president Presidency – His most important events and accomplishments What Has He Done for Me Lately? – What this president did that still affects or influences us today Presidential Times – Some of the major events in America and the world during his presidency, written like a newspaper with articles Quick Facts – Several different boxed fun tidbits such as Fast Stats (about the man), Liberty Language (definitions), Election Results!, Fun Facts!
