Perfect book for aspiring performers! This is a MUST have to keep for anyone related to the performing arts. And a go to book time and time again after the initial read! I will be reading this for many years to come.

So You Wanna Be a Superstar? is, as its subtitle suggests, the "ultimate audition guide" not only because it's comprehensive and well-researched, but also because it's a playful and engaging read

that intuit what newcomers to the world of musical theater want and need. The book literally smiles. I know several students who could really use the book as a valuable introduction to the audition process and beyond.

This book is incredible! So informative and useful and funny and full of great stories from professionals. I can't recommend this highly enough --especially if you're someone who watches the Glee Project and dreams of one day being up there with your name in lights like I do! Go pick up a copy of your own. It's the best ten bucks I ever spent for my career!

Quickly recieved! The book is exactly as described, So worth the purchase. Thank you. I will keep you in mind for other purchases.

I love this
