Customer Reviews

This book is 32 pages and is written simply and easy to understand. My 4th grade daughter really enjoyed it. It summarizes Katy Perry's personal life story very well.

My daughter likes this book, so I'll recommend it. It has great photos and tells a 'tame' story of her life.

Good book for my young daughter who is a huge KP fan. The book is a bit short (# of pages) and some of the pictures are now outdated, but still very good overall.

9 year old Daughter loved it
