Kung Fu Panda (I Can Find It)

Synopsis

Po the panda bear has a problem. He loves Kung Fu, but with his large, round body and his mellow attitude about life, he just doesn't seem destined to become the Kung Fu master he longs to be. Kung Fu Panda is the story of an unlikely hero who is chosen to save his beloved home from a villainous snow leopard. Entering the regimented world of martial arts, Po learns that if he believes in himself, he can do anything. Dreamworks® once again delivers a spellbinding tale that delivers a story that appeals to children of all ages. Set in always fascinating setting of ancient China, a feel-good story, along with the amazing CG-animated characters, this has all the makings of a sure-fire hit, and these new titles from Meredith Books are sure to please the entire family.

Customer Reviews

My 21 month old daughter has never seen the movie, but she loves Po the panda. She got hooked to the phrase "hi ya!" and it was because of this book. She loves pushing the buttons and hearing the noises that come out. It's a great book for those who love Po!

My children are very happy with this book. My two year old just loves it(he's the big fan). Great pictures, story & sounds. Thanks very much.

Kung Fu Panda is cute.
