Customer Reviews

No fault of the calendar, but upon receipt I realized that I can't look at this man everyday. Now I use each month to line my litter box. Much more satisfying.

Can't wait till this calendar runs out!!! It is just as described.

I bought this for my husband and he loves it. Trying to make the best out of a really bad situation!

It's a great calendar, and it is indeed a 2015 calendar (this is to clear up any confusion anyone may have from the other review). I was going to get one as a gift for someone, but based on the other

review decided to first get one for myself to confirm that it is a 2015 calendar, and of course it is. It is also very funny and having seen it I will likely get others for other friends that I know will appreciate it.

I bought this for my dad for Christmas, who is a hard core republican, and he loves it!! He enjoys the fact of getting to watch the days of Obama being in office growing smaller and smaller, and I love seeing the happiness it brings him

It's a great calendar. It's very funny and the pictures and quotes are perfect. The only problem is the countdown is taking too long. Pay no attention to the one star ratings. The people just disagree with the premise of the calendar. There have been calendars like this for the last president and there will be for the next one no matter who it is. Overall it's a good, well made calendar.

Perfect gift for my Father in law! He loved it!

Our daughter enjoyed this calendar hoping to have the next two years go by quickly without too much more damage to our country!!!
