Customer Reviews

Love this calendar! The images are crystal clear, very detailed. Note: these are not photos or clipart from the movie, but rather high resolution artwork. The boxes are big enough that you can write in them or use event stickers (not part of calendar).

Nice art, sharp colors, its a calendar, if you like starwars, you'll like this.

It's a calendar. I wish it had more pics other than the bad guys. i really do not care for bad guys.
