It brought me back to one of my favorite shows so I was so excited to see there still making products for it. The pics are from every scene from the show. And I really was surprised with the art work which is just gorgeous that's included in the pics for every month. And light colors for days of the week to write on. Very hard to find that surprisedly. Of course my favorite is the Buffy & Angel pic. Beautiful!

I got this thinking that the calendar would be all Buffy comic book covers. It's actually comic book covers on the bottom (where the dates are) and pictures from the television show on top. Still like it though.

Glad to see some of the comic panels included but really hated most of the pictures. Riley shouldn't be taking up space on this. Would rather see at least one month with Buffy & Spike. Could actually do with much more Buffy & Spike official merchandise.

I love finding out who I get for my birthday month. This year it was Spike, I can't wait to see who's on September in 2015

Oh My Goddess I love my new calendar it is so awesome it reminds me back in the day when I used to watch Buffy every single Monday night with my family I have not missed one episode and I have every single season I'm a huge Vampire Slayer or Buffy the Vampire Slayer fanatic and I also love the mortal immortal love tragic love stories and how can you not say that Buffy the Vampire Slayer was never a tragic immortal and mortal love story with Angel with Riley and definitely was spiked o Spikers hot but I am very pleased with my calendar I was so happy to see that you guys still do buffy the vampire stuff after all these years specially a calendar thank you spazzrz_ids26@yahoo out for now.

Wow what a calendar! This is my first Buffy calendar ever,I recieved for Christmas last year and it is awesome! I put it on my wall behind my bed so I can see it! The pictures are great,they included all the scooby gang except buffy's mother wich I think if they starting to don't have ideas anymore for this calendars they should put her and all the big bads(my opinion).Well 20th Century Fox is an Amazing companion you will enjoy every single day of this calendar!.

The artwork is excellent, coming from both the TV series and the comic books.

I buy this calendar every year at Christmas. It is great, has wonderful art work! Perfect for the Buffy fan! Seller was prompt, calendar came when promised. Will buy this item again next Christmas!
