## Customer Reviews

Shockingly poor quality. Photos are blurry and highly pixelated. Even the text is a blurry mess. Looks like a child's project (not in a good way).

won't buy this. the editor of this calendar needs to work harder -- know the difference between you're and your. Pathetic attempt at a great idea.

I only got one Trump quote printed over and over. On Demand Publishing, so maybe a computer glitch?

I hope Trump talks about doody and bathroom stuff, as he did when he told the American people that Secretary Clinton makes poopies. It's important, America!
