## Customer Reviews

This calendar is advertised as a Star Wars "Saga" Calendar but only includes pictures from episodes IV-VI, with a heavy focus on episode IV. There are several iconic characters and moments from episodes I-III. Not sure why they are omitted on a "saga" calendar. Nevertheless, it is decent looking hanging on my wall. Hopefully the 2017 Star Wars calendar includes the whole saga (I-VI, plus the new movie VII).

This was a Christmas gift. It arrived in time and was well liked. The pictures are all great.

Star Wars Strikes Again! The images are great just like the movie

Bought this for my grandson, who loves Star Wars. He loved it.

Very cool looking calendar!

Very disappointed as staple came out as the plastic wrap removed so could not be hung. Tried to replace with another staple but would not hold. Big disappointment. Grandma dogiovanni

Pick one up every year. Seem to be getting old now that Disney is involved with these. Just Ok for us. Son used to like these calanders, now just meh. I agree.

Bought this as a Christmas gift for a Star Wars enthusiast, and he seemed to like it a lot!
