First of all I love Prime! And the fact that I can order on line and ship directly to where ever & whoever I want :) This Zombie calendar was a surprize I sent to cheer my daughter up, (she is serving active duty in the USAF & right before the holidays, she got deployed to the middle East). When she rec'd it she sent an email expressing how awesome it was and that she loved it. It gives her something to read and also helps count down the days until she'll be coming home again. Thank you!

This was a gift for my son, and he loves it! I don't know if it was my fault or if it didnt say so, but I thought that there were pictures on each page. There are just interesting facts and anecdotes. He loves it either way!

Got this for my son who is in his Zombie period. He didn't seemed all that thrilled with this. Maybe more funny stuff would have been good. It's okay, not bad. It was a good Christmas gift.

When we received this we or I should say that my son loved it. I actually thought I ordered a wall calendar. But either way he loved it and reads the daily things. Great product.

My household is full of zombie fans so this was a hit! The gift recipient liked the fact that it is a desk calendar also.
