Customer Reviews

The author did not fully consider that the top 4 bear states

(<http://www.thrillist.com/drink/nation/every-state-in-the-usa-ranked-by-its-beer>) includes Michigan. Only a few entries for Michigan. Most listings are for CA, CO. The entries for Michigan are the big breweries, not the many smaller craft breweries around the state. We can only hope the 2016 version corrects this major oversight.

Great info, lots of info, international, well researched. Look at it every day. Look forward to it.

Recommend. And good job to whoever got it all together.
