## Customer Reviews

This calendar is so much fun to use to make quilts. Every day is a new block to a quilt. Lots to do. Color pictures with directions on how to do each block. There are so many quilt patterns. I purchased 5 so that I could give them as gifts for Christmas to my dear quilting friends.

This calendar was purchased and given as a gift to a quilter! I have given this calendar to several quilting friends that have loved the variety it gives and ideas,

Great for quilters.

Bought three of these, kept one for myself and gave two away as gifts to fellow quilters, just need to rememebr to turn the pages daily, but i can keep all the pages for future projects.

My cousin enjoyed receiving this calendar for Christmas and is looking forward to trying some of the patterns as she is an avid quilter.

It was "okay" but really didn't find anything new or any design I "couldn't live without". Actual calendar is done well... just didn't meet my needs.

the calendars arrived in great condition and very promptly. the calendars are excellent gifts for your quilting friends, they are available for other crafts.

Really fun book, enjoying it a lot. Would make a great gift for a quilter or wanna be quilter, don't forget to get one for yourself!
