Customer Reviews

My husband bought this as an early Christmas present and I've already looked at it. I know I'll enjoy it immensely in the coming year and will be looking at these wondering "okay, how did they do that?"

The calendar is lovely, but for the cost more pattern instructions should be available. Kim Diehl's patterns and style are the reasons a quilter choses the calendar, so the patterns for all should be included or readily available on a website to purchasers at no additional cost.

I love this. I always need calendars. Might as well be something beautiful with great inspiration. Hope you have another one next year!

My mother quilts all the time, she has enjoyed having a different quilt calendar, this one is really nice one.

The quilts shown are interesting and colorful. The quilts set among other small items adds to the interest. The date boxes have the necessary data but are not filled with trivia.

I love every quilt on the calendar that I purchased the book "Simple Seasons" so I could make them. Beautiful pictures!

Beautiful calendar by one of my favorite designers. Great photos of quilts to take you thru the year. I am so glad I bought it.
