Customer Reviews

This book was bought for my 6 year old son who is home schooled at the second grade level. He found this book fun and educational and went through it in no time, but was able to learn from it in doing so.

A fun to learn product... This encourages learning, without them knowing they are learn. My grandchild is 6, and she enjoys it.

Very happy with my items that I received, exactly as described. I would recommend this seller and there products. Very Happy Customer and will buy from again. Thank you!

over 60% of the book was written in. I wanted the book for one of my kids.... So much for that.
