Customer Reviews

Pam Stenzel has had a lot of experience counselling teenagers, especially girls. Her presentations therefore go to the heart of the matter. They listen to her willingly and receive much guidance and help from her.

The book content is fine but it reads like a twitter conversation. We were looking for a tool for addressing social media issues with teens. We found *Guardians of Purity* by Julie Hiramine to be the

book to fit our need.

I love the format of this book. I leave it in the bathroom (along with other reading materials) and my son has begun reading it.
