Customer Reviews

My 2yr old boy/girl twins LOVE his book. They are obsessed with boats so I knew I had to get this book. They love to repeat the sounds after I say them. We love the cruise ship (HONK!), the sailboat (shhhh!), and the speed boat (Grrrrrr mmmmmmm mmmmm!) the best.

We got this book at the library and my 18 month old LOVES it! She loves trying to copy all the sounds the boats make. It is always one of the first books she brings to us to read. I wish we didn't have to return it!

I purchased this book as a Christmas present for a 1 year old boy. Fun to read with all of the great sounds.

My kids (ages 2 and 3) enjoy reading all of the books in this series over and over again.

Checked out this book from the library and my 20 month old loved it. I immediately knew I had to order one from . 2 days later it was here. He LOVES this book. He now knows all of the sounds.

My 2 and 1/2 yr old who loves boats loves this book because of the sound words. Although the book is short and simple he loves it and wants to read it again and again.

I laughed so hard when I got to the gondola page. Bravo Steve Light! My toddler loves this book and it entertained me too.

My great nephews LOVE these books by Steve Light. Great price and came as expected!
