if i dont leave a review i cant get them off my back to leave one so here is your review thanks

My son is almost 3 and this is one of his current favorites. There is a lot of repetition so it's great for kids who want to read, but don't know how yet. If nothing else....my son recognizes the word "boat" and that makes him happy.

Perfect for the boy that is learning to read and likes boats.

Great for when your little one is learning to read!

good condition
