## Customer Reviews

This is the most adorable, delightful, and endearing little book that I have ever seen. My two year old granddaughter wants me to read it over and over again, and she giggles and giggles when I move the chick puppet. My six week old grandson likes the sound of the rhymes and even smiled when I showed him the chick move. The little chick finger puppet is lovable and sweet and cuter than the picture on ; you can move his head up, down and sideways. The story has the cutest rhymes and each page has up to 10 words. It is a sturdy, board book, with 7 total pages, the front and back cover and 12 pages of the story. This little book is square (4 1/4 x 4 1/4 inches and 1 1/4 inch thick)

I loved this little book however my 1 year old granddaughter is deathly afraid of it

Wonderful book. My daughter love the finger chick. However, you have to watch your kids that they don't throw some liquid on it because that will damage the book.

Great book for my young visually impaired daughter. My son loves too. Great price.
