Customer Reviews

I LOVE Babymouse. This one is great for summer reading program this year (and of course the Olympics). Another fun read. I love how she fits together with the team (even after she lets them down).

Yeah! A new Babymouse! We are big fans of Babymouse. My girls, 19 and 12, have been reading them from the beginning. We are always on the lookout for a new book.

It was good but super short. But over all it pretty good I liked it so I recommend it for a good graphic novel

My daughter loves all of these books. She has the entire collection and Baby Mouse keeps her smiling.

Our granddaughters LOVE Babymouse. They read and reread all the books. A big favorite!

always fun.
