Kingdom Hearts 358/2 Days, Vol. 3 - Manga

Synopsis

Xion, having failed her last mission, is left unconscious and out of commission. Unfortunately, Roxas doesn't have time to worry about his friend because he's been ordered to go to Wonderland with Organization XIII's No. 10-the Gambler of Fate, Luxord. Can Roxas keep up with the old man's games?!

Age Range: 8 - 12 years

Grade Level: 3 and up

Customer Reviews

This manga expands on the game more than the game itself (or the 1.5HD cinematic), so, if you're on the fence, go for it. There's lots of little details in the manga that brings out the characters much, much more. Luxord tries to teach Roxas to be a gambler and ends up on the losing side. (The losing side in Wonderland? A Luxord that nearly gets eaten by the Cheshire Cat.) They go looking for Shadow Globes in the White Rabbits' house and get caught for trespassing. (But not before Roxas thinks putting on the maid's uniform would make him LESS conspicuous.) Luxord gets used as a croquet ball and we see the nasty fire-wielding Pranksters (or were they called Tricksters?) boss in manga form. We also meet the Caterpillar and the Red Queen. Axel gets tired of hearing SaÃ¶f x tearing Xion down and actually says something about it in the manga. He calls him a jerk without knowing he's listening and then gets angry later when thinking about things that SaÃ¶f x told him. All in all, point here? There's a lot more 'Lea/Isa' in the manga. Or... references, anyway. It really gets under Axel's skin what SaÃ¶f x is up to. It's nice to read that things happening between them

still bother them because of the friendship they used to have. Roxas and Axel go on a mission to Neverland. The Lost Boys capture Roxas and Axel and tie them up around a tree because they think they're pirates. (And the look on Axel's face in that panel is priceless.) Enter Peter Pan and Captain Hook, and, of course, Tinkerbell. The Ruler of the Sky, also, and naturally, makes its manga appearance. (Because, after playing that level in the game, who REALLY wants to see that boss anymore?) The manga ends up on a cliffhanger (of course).
