Carponizer Erotic Carp Fishing Calendar 2016 - Angling Calendar (English, Spanish, French, Italian, German And Russian Edition) (English, Spanish, Gujarati, Bengali And Korean Edition)

Synopsis

Carp Calendar The 2016 Carponizer Carp Calendar is certainly one of the most extraordinary ideas of how this magnificent fish can be presented in an appealing setting. Carponizer has once more managed to courageously make every month of the year that little bit more special. Twelve magnificent carp steal the limelight in 2016, accompanied by women who are no less attractive. For this impressive outcome, twelve major carp had to first be carefully caught. During the photoshoot, two competent caretakers ensured that our scaly protagonists were well taken care of. Of course, it was also important to ensure that our enchanting human models felt as comfortable as possible in both wet and dry scenes. The impressive result of the photoshoot was twelve formidable and unmissable images for the 2016 Carponizer Carp Calendar. This calendar is a true "must have" for any passionate angler and lover of fish. These moments are aesthetically and artfully staged in the 2016 Carp Calendar, and don't just appeal to anglers in particular. The individual images are perfect as purposeful wall décor too. Whether for yourself or as a tasteful gift: the 2016 Carponizer Carp Calendar will not only make men's hearts beat faster. High-quality images call for an elegant frame at the very least. The 2016 Carponizer Carp Calendar was therefore printed on high-quality offset paper upgraded with printing varnish. Spiral binding ensures a visually appealing joining of the 30 x 42 centimeter sheets.

Customer Reviews

Finally, someone has revealed the erotic undercurrent coursing through this vastly under appreciated aquatic siren. Many an evening I spent in my Jon Boat wondering why I was

experiencing the feelings never shared with catching a Pike or a Walleye. The years of therapy and soul searching failed to provide an answer, but now, through the raw sexual energy that only a publisher like Carponizer can reveal, I have my answer. I am whole again. If I could give 10 stars, I would. Keep on tugging the line Carponizer. I know I will.

Paid 9.95 - It is a tasteful calendar, I was thrilled to see it available on with prime shipping. If the carp were more strategically placed I could of hung it at work. Get one for a friend!

What can I say, this is the perfect gift for those who love carp and women. The only thing that would have made it better, is if the carp were in bikinis themselves.

best calendar i ever owned

Simply amazing.
