Customer Reviews

I was so happy to find this calender for my niece. She absolutely loves Friends. I have been looking all over for a Friends Calender and to my delight had it and my niece loved it so much she had "happy" tears when she opened it! When she told me I of course had the same type of tears. I had purchased another Friends Calender from another online site which had no pictures of the great cast. Even though I had already bought the faceless Friends Calender for my niece I couldn't resist snatching this one up too and I have no regrets except that I wasn't there to see my nieces face when she unwrapped the surprise. This is great for teens who discovered Friends after it's debut (obviously) but now happily watch the reruns, have snatched up all the wonderful seasons on DVD's, catch it on Hulu etc. A great dorm gift!!

My teenage daughter has been enjoying the Friends reruns on TV and this calendar was a great compliment to that.
