## Customer Reviews

The calendar is beautiful... My G.ofT. loving daughter was thrilled with it and quite pleased with the photos included... The size was appropriate for a calendar, not enormous but more than large enough to write in the date squares... and the BEST feature is that unlike every other G.ofT. calendar I looked at, the interior pages are able to be used as a calendar, which, after all, is the reason for buying a calendar vs a poster... the others all have black or very dark calendar squares that are useless for writing in appts....The seller (in Great Britain) also made sure that I got it before Xmas even though the shipping schedule that provided said that it would arrive after Xmas... So, check with them for actual delivery times if you're on a tight deadline when ordering it... They got it to me in just under a week... Reasonable for an overseas product...

Love, love, love the Game of Thrones calendar! I got it for a friend for Christmas, who truly appreciates Game of Thrones as much as I do! Great product!
