Customer Reviews

This is a nice calendar, and for someone who is a huge Kelly Brook fan (me!) it will work. Too bad it's not available in the states (it ships from the UK). I understand that the shipping cost needs to be kept under control (and hence the care with which it's packaged), but it wasn't quite adequate to prevent a minor bend crease in the calendar. If I was collector I'd be upset, but hey, it's just a calendar!

If you like Kelly Brook, this is worth the price and the wait for it to come from the UK

Arrived on time as advertised. Nice looking! She would look nicer without the tatoos. Still, a nice thing to have on the wall.
