Customer Reviews

The large oversize calendar is well worth the price, but when they toss-in a copy of last year's Sports Illustrated Swimsuit DVD, this is a great buy.

This SI Calendar at least has a calendar grid to fill in your reminders.

My favorite models. Thank you.

It's got 12 months full of half naked women including the amazing and beautiful Kate Upton PLUS a DVD!! What else could a guy ask for?

Honestly, I just keep the calendar on Kate Upton's month (March, I think?) Every time I look at this calendar, I forget to even look what the date is.

Disappointed in the girls; their photography poses, etc. You can only buy so much of the Gal on the front.

I thought the calendar was going to be larger. Check measurements. Otherwise it is good.

Another year gone by ! But more beauties to make this year more enjoyable
