Customer Reviews

For the past three years I've had Sherlock calendars, now, and I love them. In the very center of the calendar, a poster is included and I love them. They're beautifully designed, too. Good gift for any Sherlock fan.

As a big fan of Sherlock, I highly recommend this calendar. Each month focuses on either an episode of the show or a character. The photos are beautiful and look incredible on the wall. The slots are generously large enough to write daily reminders for yourself and everything is easily visible. The only concern you might have is the order of the days of the week. The week starts on Monday instead of Sunday. I'm guessing this is a UK thing, but nonetheless, it just takes a little brain training to figure it out.

It would have been great except for there is a huge tear on the cover where it looks like something heavy was sat on it, the box it was shipped in looks perfect, so I'm not sure how it got damaged. also won't replace it, they'll only give me a refund which would be fine if it wasn't a gift for someone. Overall it's looks like it would have been a perfect gift. I'm not sure if I would recommend it though.

Awesome calendar. It arrived sooner than expected but that is always a good thing!

Love this calendar--photos reproduced nicely. Fun for this Sherlock fan!

My wife is a big Sherlock fan so she loves this calendar.

Perfect calendar with great pictures.
