Customer Reviews

The content is fairly amusing. The construction is really good (unlike the last couple of daily calendars I've gotten). And I never feel like I have to turn it around so folks walking by my desk don't seem something not quite safe for work, which has been a problem for the last 2 years with 2 other calendars...

I've put daily calendars at my desk for year. Co-workers seem to like them and it keeps them from bugging me. ;) I got this one, thinking there was fun trivia. However, it's more like trivial facts. Not so fun or interactive. Oh well, I found someone who wanted it, and then I went back to the Jeopardy! calendar.

This Uncle John's calendar provides fun an interesting trivia to greet me at my desk each day! I like reminiscing about shows of the past.

Like the Calendar facts, but there is no challenge (as in questions). It is only a fact per day calendar

Put out by the same people who publish the Bathroom Readers this is loaded with bits of trivia about our favorite time waster, TV. Each day gives you an insight into the world of TV with such trivia as the fact that they once wanted to put on a show, like "The Real World" where all the performers were Michael Jackson impersonators, or the crime show called "Cop Rock" which was a musical. Lots of good information about the industry and the people in it.
