Age Range: 4 - 8 years

Grade Level: Preschool - 3

Customer Reviews

I've never had much luck reviewing distinctly simple picture books like "Clifford". In the past, my observations of such books as the "Spot" series have been universally loathed by those parents who like their picture books sweet, simple, and relatively bereft of complexity. And "Clifford", sad to say, sort of falls into that category. But I hadn't read the books in years, and with the overwhelming popularity of the "Clifford" television series, I thought I'd give that big ole lovable red-tinged dog another go. So I went to the library, found myself a copy, and settled down. The book was pretty much as I remembered it. Simple words that kids can understand. Funny situations that a big dog can get into (chasing cats = chasing lions when your dog is big enough). All in all, I was a little surprised by how much I enjoyed the book. "There you go", I told myself. "You've been

pooh-poohing this nice book all for naught". But you know what I really loved about "Clifford"? The killer illustrations circa 1963. They were great. The edition of the book I read was republished in 1985 and had all the classic elements of the genre. You meet Emily Elizabeth as she scoots up on a wicked soap box scooter. And those black and yellow striped socks of hers? Awesome! I also enjoyed how hangdogish Clifford sometimes looked. When Emily Elizabeth feeds him a cartload of cupcakes and tea, I loved his wide mouth and oddly disturbed expression. Yep. Sometimes the classic pictures are the best. So I went to .com to write my I-liked-it-but-there-are-still-much-better-picture-books review.
