## Customer Reviews

While I found the images for each month of the calendar to be beautiful, I only gave the calendar 3 stars because the color of the pages for each month are too dark to allow your own personal notations to be easily seen... white would have been better. In addition, due to the preprinted notations for holidays and/or special dates, there is sometimes limited space for personal notations.

Love the artwork. I purchase is calendars every year. The images are striking and symbolic of everyday life. The calendar also has interesting facts on each day.

Only reason I didn't give this five stars because I didn't like it as much as his previous calendars. However I will be purchasing the 2014 calendar.

It is hanging in my office; I get compliments constantly. Beautiful, fun, colorful and great history tidbits on most dates.

New to Frank Morrison but now I have become a follower of his works. Looking forward to more products. Thank You.
