# Medicine Wheel 2010 Wall Calendar: Earth Astrology

## Synopsis

When the late Sun Bear first had his vision of the Medicine Wheel, he did not know how far-reaching that vision would be. Millions of people around the world have read the Medicine Wheel books, and untold numbers have participated in Medicine Wheel ceremonies to honor and heal the Earth Mother. Sandra Stanton's series of paintings beautifully illustrate the system of Earth Astrology that invites us back into harmony with the earth. Traditional Earth Astrology wisdom accompanies the paintings. In this calendar you will learn more about the positive and healing qualities of people born under, or passing through, the twelve different moons. The Medicine Wheel teachings help us better appreciate the diversity of all Earth's people and find our own special place in the sacred web of the natural world.

## Book Information

Calendar: 26 pages

Publisher: Amber Lotus (July 10, 2009)

Language: English

## Customer Reviews

OK, so this is totally my problem. I was looking for a Medicine Wheel 2011 calendar, quickly read this title and ordered it. Efficiently I wrapped it the minute it arrived. Imagine my embarrassment when I realized that I had given a 2010 calendar. Why would anyone be buying such a thing in late November? Outdated calendars should not be offered unless they are collector's items. Even worse, there is no comparable 2011 calendar available on .
