Customer Reviews

This is a great personal calendar to gear-up for each day and reflect, revive, or review each day/week. I make this purchase each year (this is my 3rd year) and it's helped keep me focused and accomplishing the goals/desires I put forth each year. Even the days/weeks I'm not putting "work" into the calendar, it's putting work into me... the colors, the designs, the "reminders"... all fruitful. This is a great purchase for the peaceful minded and/or seeking goal-developing and delivering individuals... a "happy purchase."

The 4 Agreements are profound, yet simple. The 2008 Engagement Calendar is a simple way to keep these profound thoughts working for me in my daily life.

I can't wait to start using my new calendar - I have read through it and I love the quotes from the book (which I own) and I love the space to write - overall more than I expected
