# I Spy Colors In Art

## Synopsis

I spy with my little eye . . . a yellow circle, an orange orange, two blue eyes staring right back at me! The whole family will delight in exploring fine art through these fourteen glorious paintings, ranging from ancient to contemporary, their artists hailing from all around the globe. Each time you look at one of the colorful canvases in this bookâ "or in a museumâ "you're sure to discover another delightful and surprising detail. What a wonderful way to foster a love of art in the youngest of children and to instill an appreciation for close observation and attention to detail. What do you spy?

## Customer Reviews

This is a great book to incorporate into your lessons of the Elements of Art. It is also great for children to look at independently.

I purchased this book as a gift to another niece who was teaching art in Colorado. She really liked the book and got some good ideas.
