What Do Authors And Illustrators Do? (Two Books In One)

Synopsis

Children's books tell stories with words and often with pictures, too. In *What Do Authors Do?* Christelow shows how an idea blossoms into a final book in colorful watercolors and comic book-style frames. In *What Do Illustrators Do?*, two artists create their own versions of *Jack and the Beanstalk*, from rough sketch to finished artwork. Budding youngwriters and artists, rejoice! Both inspiring books are now bound as one and include creative writing and drawing exercises.

Customer Reviews

This is a great book for kids interested in writing and illustrating books. It really inspired my daughter to finish her book.

Very educational. My daughter who dreams to be a writer and an artist likes this so much.

Eileen Christelow masterfully demonstrates the process of writing and illustrating in a manner fitting for young students. Children who adore her books and illustrations will enjoy this behind the scenes view of an author/illustrator's work.

Awesome for a literacy teacher!!

I love it and the kids love it.
