The best calendar ever. Perfect for the kitchen. Beautiful photos and filled with wonderful ideas for both your garden and meals. This calendar offers recipes and helpful hints. Plus, you'll stay informed of moon phases, cosmic events and the holidays of all the world religions. There's something to celebrate every day with this calendar. A calendar worth reading.

This is my second year getting this calendar. I love the photographs of the herb gardens. They give me something to think about for laying out my own garden. I also appreciate that the days are easy to see and read.

I love this photographer's (apparently putting her name down violates the review regulations) photographs- very unique and a great kitchen calendar!

Bought last years calendar and liked it so much I had to make sure I continued having this hang in my kitchen. Great photos with plenty of helpful anecdotes and a monthly recipe.

I.LOVE.THIS.CALENDAR! Everything and more for an Herb lovin' gal! Adore it and will order it again next year! xxoo
