Customer Reviews

I have a budding artist in my home who loves the "Madagascar" films, and he is enjoying this drawing book, Learn to Draw Madagascar. It uses the method where you draw common shapes " "

circles, triangles, ovals, and connecting lines, which is pretty easy for my son and I think itâ™s also helpful for his art skills overall. Drawing the characters is pretty straightforward with this system, and he particularly likes drawing his favorite character, King Julien!

Easy to follow steps--especially like drawing the penguins!
