## Customer Reviews

Wow, I love this calendar - especially the little pictures of the birds. Here's the main thing I love about this calendar - it actually helps me understand Eckhart Tolle. I've read his books, and heard him speak once, and I confess that I couldn't always follow what he was saying! But with the help of this calendar, in words and pictures, I get it! Now I've got my inspiration for 2015. (received as a review copy)

His calendars remind me to stay in the Now = no worries, regrets... . I get this calendar every year, and beautiful pictures to go along with his sage advice on experiencing life by staying in the moment.

Was given the book several years ago and I haven't ever put it out of my sight. I hung this calendar in my vanity so I can see and be reminded of this life saver (for me) any day or time as another reminder of how beautiful and awesome our lives are reflecting the purpose of why we are here.

Beautiful photography and messages. Good quality printing. I buy this every year and love it!

Love this so much I have both versions, one for the office and one for my home.

LOVED this calendar. A variety of pictures and unique quotes which span various topics people encounter on their journey through awareness and daily life. I am keeping the photos!

I have been buying this calendar for several years. it is accurate.

Every year.....new beautiful photos and inspirational messages!!!!
