## **Customer Reviews**

Susan Branch calendars are my new favorites. This is my second year of buying them and I bought early because I wanted to enjoy and pore over her illustrations before they go up on the wall. They are made of high quality stock and a pleasure to see because the illustrations and little poems and sayings are so positive. Thanks Susan Branch for giving me inspiration throughout the year!

I bought this sweet calendar at the book signing for The Fairy Tale Girl by Susan Branch. (What fun, she signed it for me!) I purchase one of her calendars every year and love the size of this small one because it fits ~just right~ on the side of a cupboard in my kitchen, where I can see and enjoy it every day! Thank you Susan, for everything that you do~from one of The Girlfriends

If you love Susan Branch, you will love this calendar. The subjects and colors are classic for her style.

Perfect for my cube at work - I get lots of compliments and enjoy using. Shipping was fast but they required a signature to leave (?) seemed odd for a inexpensive product.

These fit perfect inside my cupboard door in the kitchen. Love seeing the whimsical illustrations each month. A sweet little calendar to keep your info posted.

Next year I'll return to a Marjoline Bastien calendar but this is fine. Didn't quite look at each page as carefully as I should have before I ordered it.

When Susan Branch writes and paints, she puts her whole heart into everything, and you know when you see her name on it, it is always beautiful.

I have been a fan of Susan Branch since her first published cookbook. There is nothing she does that will disappoint.
