Customer Reviews

This calendar has been a tradition of mine and I have to buy one every year. This year, .com sent it to me standard shipping and with the use of an .com e-gift card balance, I received this product in 3 days from the time of order. It was mailed in a manilla packing envelope with bubble-wrap padding. It did not include the outer shipping box as it had in years before. This time, the wire-ring bound calendar came plastic wrapped. The calendar begins on Monday, December 29, 2014 to Sunday, January 3, 2016. Inside the weekly calendar are 60 new beautiful photographs of scenic nature with an informative description of each photo, location and the name of the photographer. The lettering of the months, days and numbers are big enough to read. Each entry of the day has space of about 6 inches wide X 1 inch high to write your appointments, meetings, video conferences, travel dates, hotel reservations, phone numbers, birthdays, anniversaries, brunch, luncheons and dinner reservations, Broadway theatre dates, college classes and exams and dates to pay your bills. Also make a note of your favorite tv shows, baseball and basketball games, movie and DVD releases, webcasts and podcasts. This year, they will have many Republican and Democrat debates for candidates campaigning to be the next President of the United States, so write those dates down

too. You can use your calendar as a daily diary or journal. Included are American holidays and some holidays observed in Australia, Canada, England, France, New Zealand, North Ireland, Scotland, Wales and all of the United Kingdom. Also International holidays, Christian, Jewish, Chinese, Islamic and Muslim holidays. Moon phases, Equinox and Solstice, the beginning and end of U.S. Daylight Savings Time.

I ordered this calendar with my .com e-gift card balance early Monday morning and receive it the next day. Begin the New Year of 2014 with the beautiful Audubon Engagement Calendar.
