## Customer Reviews

The Inspirational Daily Planner is excellent. I have ordered one for the past 7 years. It has a Bible Verse for the day, space for writing down your thoughts, or prayer list or appointments for the day. Each month has a theme. Also, at the beginning of each month there is a monthly calender. There are a lot of other features, also. I rate this very high because it is useable and can make a great gift for someone at Christmas.

I have been using this specific planner for 3+ years now. I find I actually prefer the larger size (this one) to teh more compact one. I rely on it for everything. There are about 4 day to a page, so you have a quarter page worth of room to write in. I rather enjoy the inspirational quotes as well as

scriptures. They are sturdy books, seeing as I am constantly throwing mine in my handbag. Granted, mine are very dirty by summer/fall, but they are still intact!

Excellent. The preview of this calendar was not available when I purchased it ...since I had purchased the last two years I was assuming that the format would remain the same. One month page, then the weekly pages with verse and quotes on each page..all pages. The design is very study/professional and elegant. They are just worth it!! I use these verse and quotes for my good morning emails, 80 person group, and growing. Just amazing that this inspirational planner exists. Will continue to buy yearly.

I apologize if I'm mistaken, but isn't this the standard for hardbound published Inspirational Daily Planners? I'll presume that this is an oversight of .com after seeing the litany of sellers for the 2011 version. Please bring onboard the 2012 version asap ... thank you!!

I have really enjoyed this planner for many, many years. Today, I looked for the 2012 edition to have it in hand when the calendar pages turn to January. I am afraid it's no longer being published, which is a shame as far as I am concerned! If anyone can tell me where to find a comparable product, I'd love to know.

I have used the same inspirational planner since 1984. This is the first year I did not have a new book under the Christmas tree. Whereoh where is the 2012 version? No other book has the same layout in a hardcover like this.

I too was very disappointed that I could not find the 2012 version. Last night I finally contacted Thomas Nelson. Apparently they had many such requests & inquiries. This am I had this email: "Coming out in March 2012 18 month Womens Daily Planner They will be July 2012 thru Dec 2013 Will be sold at Family Christian Stores ISBN # 9781404183629 ISBN # 9781404183636" ; Apparently another version is already available but it is smaller; "Daily Inspirational Planners They are at Books A Million - [...] ISBN # 9781404174375 Pink ISBN # 9781404174399 Green These are Women's Daily Planners Make sure you tell them they are located by the Calendars !!!! They have it on line at [...] THEY ARE NOT LIKE OUR OTHER ONES - THEY ARE SMALLER - "Hope the ones coming out in March 2012 are like the previous versions. blessings,
