Sacred Images Of Tibet 2014 Wall Calendar

Synopsis

Classic images of authentic Tibetan thangka paintings open a sacred doorway into the world of Tibetan Buddhism. This Sacred Images of Tibet wall calendar features handsomely displayed meditative images of buddhas, goddesses and tantric figures. Each thangka is paired with informative text explaining the meaning and symbolism of the image shown. The paintings are all by master thangka artists living in Kathmandu, Nepal. These images have been used for centuries to awaken and expand consciousness. Your purchase of this calendar helps support the Tibetan Lama Fund, which is building housing for refugee monks in India, and the Development of Children and Women Center in Kathmandu.

Customer Reviews

I love the pics, just wish it had a few more holidays for buddhists on it, but it does have the moon phases, the really big days and plenty of space on the boxes to write in the minor ones. I would suggest that you write gently as these are suitable for framing after the month is gone. , really pretty posters .

I buy this calendar each year. I find the images this year really soft and inviting and very accurate. I do hope they keep making this calendar year after year. DFW

Great pictures and useful descriptions. Everyone should be pleased to get this if they what they want is a Tibetan Images calendar.

This is a high quality product. The pictures are suitable for framing and a few might just make it on to the walls after 2014.

I haven't removed the wrapper, it being only November. I purchase this calendar every year because I am infatuated with Tibetan iconography.
