Customer Reviews

Was not happy when I quickly scanned the book to see events from 2011 should have all 2012 information in it.

nice book full of sports. I recommend this book to anybody who is interested in sports. pictures are very well also... thank you...

Kids are sports fanatics who look forward to it every year. They like to look back on things they may have forgotten.

Great sports book for my 8 year old! He loves reading about all of the athletes! It has really nice colorful pictures

Bought this for 10 year old son after he begged for it - he is a sports statistic nut so it's right up his alley.
