## **Customer Reviews**

My 3 year old loves this. It's a quick read-- and not too violent. It's about the importance of being unique and thinking outside the box. He makes me read it multiple times a day.

Bought this book for my 2 year old he is crazy about the Ninja Turtles. If you have little ones they will love it.

Purchased as a gift. The youngin loved it!

My son loves this book!

loved

Good story for young Ninja fans. My grandson loves them so he really liked the book. It is hard to

find Super Hero books for young boys. This one fits the bill.

My boys love everything TMNT & so do I ! Def looking forward to more of this series, they have them all so far. Beautiful illustrations & great stories.

My grandson was happy and that's what makes me happy. Buy it it's cute.
